PAPER FORMATTING REQUIREMENTS

1. A paper for the conference shall be sent in electronic version.
2. The electronic version of the article shall be provided in Word format, point size 13 "Times New Roman", 1.15 line spacing, without automatic hyphenation.
3. The volume of the article/material for the conference should be not less than 4 pages and not more than18 pages (minimum 1000 words – maximum 4500 words).
4. The cited literature shall be presented at the end of the text under the title **"List of references"** (**without a colon**). The sources should be listed in alphabetical order without repetitions. First regulatory enactments shall be specified, then materials in Russian and finally – materials in a foreign language.
5. References to the literature or notes to the text should be presented at the bottom of the page.
6. The name of the file with the article/material for the conference shall contain the information as follows: the author's last name – full point – the title of the paper for the conference.
   For example: Brown. The lessons of Russian History.
7. Before the article the information on the author should be specified: full name, position and workplace (full title of the organization where the author works), academic degree, country and city of residence, e-mail.

Example:

Dr. Mark BROWN, PhD in History
Leeds University, Dep. Of Russian History, UK
Russian History Club Hon. President
E-mail: markbrown@you.me

The lessons of Russian History as a factor of…(point size 14, bold)

8. After the title of the publication the summary (2 – 3 sentences) and key words (5 – 8) should be written patterned after as follows:
   The summary. *In the article the author reveals…*
   Key words: *Russian Heritage; emigration; History lessons;* **(separated by a semicolon)**
